Every year, osteoporosis affects millions of men and women throughout the UK. The National Osteoporosis Society needs your help to provide:

• **Support** for people with osteoporosis, their families and carers • **Information** to warn people who may be at risk • **Education** for young people about diet, exercise and healthy lifestyle • **Training** for health professionals on diagnosis, prevention and treatment • **Research** into vital areas like pain relief, osteoporosis in men and osteoporosis in children

If you are a UK taxpayer, you can increase the value of your donation by using Gift Aid, which allows the charity to reclaim the tax.

Gift Aid increases your donation by 25%. If your sponsors are UK taxpayers, the government's **Gift Aid** scheme allows the National Osteoporosis Society to claim tax back on their sponsorship. This means that **for every £100 that you raise, the government gives the charity £25 more!** All we need is for you to ask your sponsors to tick the box on this form and make sure that we have their home address. Then we can claim an extra 25% of your donation at no extra cost to you or your sponsors.

Please note: For us to claim Gift Aid we must have your full name and address, including postcode.
